Our junior year has come & gone. It flew by so fast. Just think only one more year to go. Well in the time we have become close friends we have had many exciting & boring experiences! "Big J", B. J.'s, Kragens^{the} fake, McDonalds parking lot, Cruisin etc. Remember the party at Shawn's house. (closet woman)! we have been through it all, But yet never had a fight. Prom night was great even though I know you probably wish our dates were switched. Now that we are both working I hope that we don't grow apart!!! we have a lot in common and get along so good. Let's not let this summer tear us apart!! you are truly a great friend. you are probably the best secret keeper around. you have always been there when "Corkie" screws up or is feelin down! I don't know how to thank you. I want you to know that I am always there for you. I hope that you and Jim work out. He is a cutie! you deserve the best and Jim will definatly give you the best!!! well I'm now off.

Jammy,

Hey buddy looks like we
 made it through another year
 and now we're seniors. I like
 the sound of that but it's kind of
 scary. You know? I'm really glad I
 met you this. When I first sat by you
 I didn't know what to expect, boy was I
 in for it. (Just kidding) You're such a sweet
 heart and I'm not just saying that. We've
 had some good times in Seever's, even with
 Rick and his ridiculous noises. Thanks for
 those pictures they are totally adorable. I'm
 sorry about you and Casey I wish there was
 something I could do to get you back together.
 Thanks for putting up with me and my bitchy
 moods & fights w/ Rick. We have to get together
 sometime so give me a call, you have my number
 we better stay as good as friends as we are now.
 Let's not let this seniority go to our heads.

Love ya Lots
 Jenn

Tammy,
 What's up you fresh young lady? I hope you've
 had a great year because I did - well I'll see
 you in the summer sometime. See
 you

It took just one gymnastics meet for Mark to realize that this was something he wanted to do. Mark competes in all six events which includes: floor, pommel horse, rings, vault, parallel bars, and high bar. His favorites are the pommel horse, vault and rings. Mark hopes to compete on the Junior National Olympic team and eventually make the 1988 or 1992 U.S. Olympics. Deanna Schaffer got interested in speed skating about 4 years ago. She said a friend was responsible for getting her involved. She practices 4 times a week, with practice averaging 1 1/2-2 hours a day. Deanna competes in the 13-15 age group. She has placed 2nd at the state and regional levels and has gone on to compete in the nationals. In November Deanna took a week to train at the Olympic training site in Colorado. She found the experience "fun, cold, hard and tiring". Deanna eventually hopes to make the USA team that travels to Russia and other European countries.

Tammy-

Hi, sweetie! I want you to know "I love ya" and you're a good friend until I die. I can't believe we're gonna be seniors, it seems like we should only be 7th graders again. We have a lot of long talks about boys + men! ya' know? Remember when you liked Mike. That was so funny. You've grown up so much and me too, it's so scary to think I'll be married next summer. I hope we will be closer then than we are now. I want you to call me more, or I will be very mad! Remember I'm always there for you! I love you!!

Love -
Vulie

This football team will go down in history as the first one to defeat Cardinal Newman (9-0) and the last one coached by Billy Gianquinto. Coach Gianquinto did an excellent job leading the Prospectors to three straight S.C.L. titles during his coaching career at Piner. Some outstanding Prospectors graduate from this team, leaving a huge gap to fill. Gone are all leaguers: Jim Johnston, Joe Soto, Bryan Michnivich and Jim Stephens. Troy Tobo and Tom Kemper will, also, be tough to replace.

1. Curtis Hall 2. Jimmy Johnston 3. Steve Ponto 4. Troy Tobon 5. Piner J.V. football team finished the season with a record of 4-6. They played extremely well defensively, but had a difficult time scoring against opponents. Outstanding offensive players were QB Allan Capurro, wide receiver Tony Rosales, running backs Jason Dedrick, Shane Terrell, and offensive linemen Ben Guillory, Larry Cassidy, Adam Junior and Deryl Davis. Defensive standouts were Michael Anderson, Barney Jones, Shane Terrell, Brad Michnevich, Jason Dedrick and Ty Folk. These players should help the varsity in '86.

1. Mark Haddorf (60) & Wayne Zimmerman. 2. Adolfo Foronda. 3. Jim Perez. 4. Piner offense. 5. Allan Capurro. 6. As an exchange student I cannot compare this season to any others, but I think Piner had a good team. It was difficult for me to play soccer on an American team. The main difficulty was the team spirit and the emotional support the players gave each other. We placed second in our league with a 8-2 record. Piner is the only team that could mark a point in its record against Santa Rosa. For me, it was a great experience to play on the Piner soccer team. (Arne Schutzeberg)

The soccer team finished third in league play and an overall record of 13-7. It was a most satisfying season and the team is looking for a great season in '86. Piner will have everyone returning except for Tina Bordieri, the team sweeper, and Sharon Toso who led the team and the league in scoring. Playing outstanding defense for the team was Tina Bordieri, Corrine Bryne and Alicia Romano.

"It was an eventful year for the 1985 volleyball team. We improved tremendously, both as individuals and as a team. Each and every player had a great effect on the team. SHANNON EISENHAUER probably improved more than anyone else. She gained much poise and became a very effective hitter and passer. JENNIFER LOPEZ was a steady defensive backcourt player. She also does a great imitation of the coach leading warm-ups. STEPHANIE LYMAN was the most effective senior on the team. She contributed so much in so many ways - team leader, great attitude and a great sense of humor. SUSAN MCAFEE was a great backcourt player and very effective at the net. She is quick, and she can jump. JILL PATERSON was the foundation of our offense. She did a super job as a first year varsity setter. She had the best dive of anyone on the team. KYLE PHILLIPS gained much confidence over this past season. As a team leader, she helped us get through some tough matches. TONYA ROBERTS was a tough, all-around dependable player who scored some tough points. She can never play without orange juice. SHERRI ROSSETTI, as a three year varsity player, was the key to both the offense and defense. She is a great single blocker. MICHELLE STOLPE was one of the most accurate passers on the team. She is our backcourt specialist. PRISCILLA TORRES was a super sub who came in the game in tough situations. HIGH POINT OF SEASON: beating Ukiah and almost beating Healdsburg. What a team! What a great year!"

The Junior Varsity Volleyball season this year was a most unusual one. Perhaps it's because we started out with "13" members (13 being an unlucky number). However, as the season progressed, the players improved with each game. The team finished with a league record of 7-3, one win away from first place. The three losses were to El Molino, Sonoma and Casa Grande. Some outstanding players who should move up and help the varsity next year are: Valerie Duckworth, Kitty Mullen, Darla Parker & Valerie Stone.

The Prospectors struggled through a tough preseason schedule, losing many close games. When the league season arrived the Prospectors were ready to play some good basketball. They finished second in the SCL with a 7-3 record. Their only losses were to the champion Healdsburg Greyhounds and the third place Analy Tigers. Seniors Shawn Flint and Jeff Harper were the leading scorers. Juniors Scott Neal, Scott Lane and Jim MacDonald completed the starting unit most of the season. Forward John Adams and guard Michael Williams played consistently strong as 6th and 7th men off the bench.

The girls varsity basketball team played this year with a tremendous amount of heart. They had to learn a new offense and numerous defenses. According to Coach Ted Milkoff, "considering all they had to learn, they did an outstanding job". The team was led by seniors DeeDee Tarver, Stephanie Reyes, Kim Sheckell, Becky Berraga and juniors Dana Blumenstein, Susie McAfee, LeeAnn Geiger and Allison Glynn. Danna Blumenstein led the Prospectors in rebounding with 105. Susie McAfee led the team in scoring with 125 points. The future looks promising.

The girls junior varsity team has an outstanding season. Playing a number of games with just 5 or 6 players, they showed their stamina and courage in winning a number of games. The junior varsity team was lead by Hahn Phan, Tammy Valante, Valerie Duckworth, Mayte Cisneros and foreign exchange student, Kristine Petersdorf. Their coach, Ms. Sandy McMillan, did an outstanding job. According to varsity coach Ted Milkoff, "she is one of the best. We were fortunate to have her at Piner". Hahn Phan led the junior varsity in scoring and ball handling.

It's only fitting that Brec Swan, ASB President, should be one of the torch carriers to the '85 Fulton Valley Olympics. Brec has been ASB President for the past two years. A first at Piner. It's tough to list all the contributions Brec has made to Piner. Needless to say, they are significant. Hard work has gained him the respect and confidence of students and faculty alike. His will be big shoes to fill. I wish him well in whatever he chooses to do. Of course, the person carrying the torch with Brec is none other than Mrs. Patti Michiels, Spanish teacher and songstress of that hit medley STOP IN THE NAME OF LOVE. Patti is also adviser to the Spanish Club that raised over \$2,000 for the earthquake stricken people of Mexico. Congratulations to Patti and members of the Spanish Club.

Dawn • Adrienne • Lisa • Christian • Dana • Erika • Steve • Jimmy • Dan • Shelly • Dana • Monica • Lisa • Corri • Carleen • Gerry • Julie • Brec • Erin • Just a few of those wild and crazy guys who were responsible for the rallies, activities and all those other events that make for Piner Spirit. These are the people who take the extra time to organize, plan and help execute everything from the Food Faire to the Senior Exclusive. I thank them for their dedication to Piner Spirit and Piner Pride. If it were possible, I would put one giant photo of all Piner students on this page and say 'thanks' for getting involved. I hope you all graduate with pride in having been a part of Piner.

A special thank you to Pam Rippin, Brigitte Mansell, Paul Davis, Patti Michiels, Sandi Lacey-Anderson, Jim Hiss, John LeCompte and Chuck Raznikov. These fabulous faculty people brought back memories with their unforgettable performance in the Lip Sync Contest. They took the time to get involved and, as such, created some tears of joy for a great many people. What a group!

I would like to thank Mr. Jack Hayes for his continuing commitment to excellence in education. I would also like to thank the Pinner Staff for their continuing commitment to excellence in education. A fantastic group of people, the Piner Staff. I particularly thank them for the support that was given to me this past year.

Shigechiyo Izumi passed away this year. First one to let me know what he was famous for wins a giant pizza at Pas'da Pizza.

My son, Todd, came home on Christmas Eve and said, "it's time I move out, dad". And he did. I'm certain it was easier on him than me. But a parent has to set their children free and watch them grow. I miss not having him around. My daughter, Erin Leilani, went off to Nicaragua with Protocol For Peace. Hooray for her and her sense of social responsibility. Erin returns to UC Davis and the Chi Omega sorority for another year. I enjoy my children. I hope others enjoy their children as much.

Hard to believe, but our paths crossed again this year. She said, "let's get together". I said, "sure". But it didn't happen. No matter. After all these years I love her still. Good night, Kaysie, wherever you are.

Remember that life can be simple and enjoyable when you take time for those who give meaning to your life.

Thank you, Carleen, for sharing a breakfast or two with me.
